

Warfare Prayer for the Month of October

(Please read this prayer **every morning and every night before going to bed**. We need God to move in mighty way and when we pray in agreement, we will start to see things happen)

Lord we thank and praise you for being the strength of our lives, the source of every blessing, the resource for every mission, the joy of our salvation. We love you with all our heart, strength, soul, and mind. We love ourselves as you love us. We love each other as you have commanded.

Thank you for bringing New Faith Baptist Church International into another blessed anniversary! You have sustained us. You have opened amazing doors of opportunity for us. Through our faithfulness in *Living and Giving to Your Glory*, you saved lives and souls through this ministry. We rejoice for every transformed life, grieving heart uplifted, hungry child fed and educated, addicted mind set free, marginalized community provided water, and every individual empowered to keep pressing on and fighting the good fight by the preached word.

Thank you, Lord, for prophetic, courageous, loving leadership you provided through our Senior Pastor Rev Dr. Trunell D. Felder and his life/ pastoring partner Rev Dr. Alexis L. Felder, for 19 years of inspired ministry; knowing the best is yet to come. Continue to bring life and world changing word through our Pastor. Send your word through him to break yokes and uplift the discouraged locally and globally. Bless Dr. Alexis and the Joseph Assignment Global Initiative to continue to minister to *the least of these*. We pray continued blessings and peace over their children, parents, and entire Felder and Brinkley family.

Despite current health, political, and climate crises facing our nation, we look forward with great anticipation and hope to the future. We look to Jesus, the author and finisher of our faith. We prayerfully agree that because Jesus overcame the world, we shall overcome our present struggles. We agree and affirm that all things shall work together for the good of those who love you and are called according to your purpose. We agree that love holds greater power than hate, good news shall be declared to the poor, justice will triumph over wickedness, the oppressed will be set free, and the year of the Lord's favor shall be declared unto the world. We agree that justice will roll down like waters and righteousness like a mighty stream.

As we look forward to the future, we do so with hope and determination to take authority to advance your kingdom on earth as it is in heaven. We will vote and lead others to register and vote. We will fight the good fight of faith in the streets, boardrooms, village and city halls, impoverished communities, and in hearts and minds of your people. We will hold on to your unchanging hand, accomplish exceedingly abundantly above all that we ask or think by your power working in us, and share the love of Jesus Christ with the world until all have heard. We go forward together, in the unity of the spirit and the bond of peace, in agreement: *the best is yet to come*.

Thank you for forgiving us our sins and shortcomings. Thank you for loving us. Thank you for the call to goodness and greatness. Thank you for the resources and abundance coming forth through our *Living and Giving to the Glory of God!* We take the authority you gave us with determination to be the change you want to see. Thank you for lives worth living through purpose. Thank you for power to win. Thank you for all you've brought us through and all you're bringing us to. Above all, thank you for abiding in us, and inviting us all to abide in you.

In the Name of Jesus. Amen.
