

Congregational Prayer January 2021

(Please read this prayer every morning and every night before going to bed. We need God to move in a mighty way, and when we pray in agreement, we will start to see things happen)

In the Name of Jesus, thank you, Lord, for this season of decision, determination, and destiny. By faith, we commit ourselves to *seeking first your Kingdom in 2021*. By faith, we expect your Kingdom to advance as we *Live and Give to Your Glory!* We will walk in divine power as vessels of healing and deliverance, working for peace, justice, and liberation. Your word and ministries of New Faith Baptist Church International will continue to impact the world. Thank you, Lord, for giving us everything we need to be your Kingdom advancing army!

Thank you, God, that you have not given us a spirit of fear but of *power, love, and sound mind*. Thank you for being our provider who frees us from worry to seek first the Kingdom and your glory. In the glory of your Presence, O' Lord, we commit ourselves to pursue your will for our lives. Please help us in discouragement that we may walk in authority by faith and not by sight. We commit ourselves to love, serve, and worship you with *all our heart, all our soul, all our mind, and with all our strength*. We commit ourselves to *love our local and global neighbors as we love ourselves*. We commit to *loving ourselves as you love us*.

Lord, uphold our Pastors Rev. Dr. Trunell and Rev. Dr. Alexis Felder. Thank you for using them as vessels for deliverance. Please continue to support them with your mighty hand. We thank you for using our Pastors to lead us in the unity of purpose, advancing your Kingdom locally and globally. Lord, keep Nora, Andrew, Rev. Jean, and Pastor Felder's parents in your care and protection.

Lord, we pray for the governing institutions of our nation. We pray the President-elect, Vice-President, and incoming administration will bring sanity and integrity to our nation and help people in need. *Let justice roll like a river and righteousness like a never-ending stream*.

We encourage ourselves in you, believing and agreeing that you *are our light and our salvation: whom shall we fear*. We strengthen ourselves in you, facing the days that come with courage rooted and grounded in faith. In Jesus' name, we advance your Kingdom on behalf of the poor, dispossessed, and oppressed. We seek first your Kingdom, where all people are your creation, loved, and valued by you. We bear witness that *all things work together for good for those who love you and are called to your purpose*. We fix our eyes on your Son Jesus, *author and finisher of our faith*.

Lord, we thank you for each other. Have mercy on those who grieve. Thank you for the New Faith Baptist Church International family. Thank you for divine compassion to support each other and seek your face together. We stand together in your name. Thank you that your Kingdom is more powerful than a pandemic to overcome government corruption and injustice. *Your Kingdom come. Your will be done, on earth as it is in heaven*.

In the Name of Jesus: amen!
