

Congregational Prayer February 2021

(Please read this prayer every morning and every night before going to bed. We need God to move in a mighty way, and when we pray in agreement, we will start to see things happen)

God, thank you for the power and the birthright to be your Daughters and Sons. Thank you for being *God with us*. Thank you, Lord, for saving, embracing, and *pursuing* us with grace and mercy! Thank you for meeting us in our humanity and using us. Thank you for calling us to advance your Kingdom in a nation and world in crisis. By faith and in joyful obedience, we *seek your Kingdom first in 2021*. We consecrate ourselves to *go into all the earth, baptizing nations in the name of the Father, Son, and Holy Spirit*.

There is no greater love than yours. Thank you for your grace and mercy. In the name of Jesus, we *Live and Give to Your Glory*, sharing the love of Jesus Christ with the world. We declare freedom from worrying about tomorrow: we focus by faith on our mission to advance your Kingdom day by day.

Lord, we humble ourselves, seek Your face, and turn from wicked ways. Heal your people, Lord, and heal our land. Heal our land, people, and leaders from violence, poverty, hatred, corruption, and greed. Fill our land with truth, righteousness, compassion, and justice as we commit ourselves to seek your face and pursue your purpose. Thank you, Lord, for giving us a fearless spirit of power, love, and sound mind. We strengthen and encourage ourselves in your Presence, confident that you have already given us the victory!

Lord, thank you for the truth of your word that makes us free to live fruit-bearing lives. In the name of Jesus, we commit ourselves to live profitably and productively in mind, body, and spirit. We stand and advance your Kingdom as one even amid pandemic and national challenges. You said through Jesus that your Kingdom is within us. Give us favor, influence, opportunity, and guidance to be ambassadors of your righteousness and glory. God remove any hindrances to our faith, work, and growth as we seek your face through worship, witness, and sharing Jesus' love with the world. We declare ourselves a people of submission, power, authority, and wealth. Thank you, Lord, for saving and securing us to send us! In the name of Jesus, we shall go!

Lord, we ask blessings over our Senior Pastor, Rev. Dr. Trunell D. Felder, and pastoral partner, Rev. Dr. Alexis L. Felder. Bless them richly as their heart's desires continue to line up with your will. Thank you for the vision you sowed into them. Bless them to overflow. Bless and cover Nora and Andrew, Rev. Jean, Pastor's parents and family, and everyone connected to them. Open doors to power and influence that souls are saved, your Kingdom advanced, and your vision fulfilled.

God, thank you for perseverance and triumphs over trials, tribulations, hardships, and sufferings. Thank you for comforting those grieving and suffering loss in this time of crisis. We trust your word that this present time's grief is nothing compared to the glory about to be revealed in us. Therefore, in all things, we give thanks, anyhow! We seek your heart, your Kingdom, and your righteousness first, trusting in your love and provisions.

In the name of Jesus, and for his sake. Amen.
